YOUR DESTINATION EXPERTS

The logo for OM DMC, featuring the letters 'om' in a white, lowercase, cursive script font. The background of the entire advertisement is a faded, high-angle photograph of a white building with a prominent blue dome, likely a church or chapel, overlooking a calm sea with a small boat in the distance and mountains on the horizon.

DESTINATION MANAGEMENT
GREECE-CYPRUS

Those who entrust a special event to OMDMC know that originality comes hand in hand with reliability and certitude.

OUR DIFFERENCE

- **Experience as agents:** we've been on both sides of the coin and created what we considered essential as DMCs: fresh thinking and creative proposals, time-saving processes, destination consultation, and bespoke itineraries.
- **Boutique Specialists:** we deliver agility, authenticity, and tailored services, unlike large tour operators. As Greece specialists, we have personal relationships with all our vendors, providing benefits to our clients, such as special after-hours access, to waiving of minimum stays and free upgrades.
- **Unique Experiences and offerings:** we offer remarkable experiences and curated recommendations designed with local partners. This covers can't-miss shops and restaurants, immersive workshops with artisans, self-driven adventures.
- **A Matchmaking approach:** we truly listen to your client's needs, to passions, and must-sees, handcrafting original itineraries with every selection being intentional. Special activities? Seaside or mountainside? Gourmet or traditional?
- **Marketing support:** we provide itineraries stamped with your logo and share images, content, and marketing assets for your newsletters or social media. We love design and helping to showcase the Hellenic aesthetic.
- **Flexible payments and commissions:** our competitive retail rates already have built-in commissions, but we can also work on net rates or incorporate your desired commission to fit your business model.

OUR PROCESS

- 1) **Destination consultation** and teaser itineraries to highlight each place and help clients select the best fit, prior to drafting the proposal.
- 2) **Creation of a tailored itinerary**, based on your briefing, with full-service planning including venue finding, cultural experiences, historical visits, teambuilding elements.
- 3) **Client revisions and approval of a custom journey**, followed by our detailed booking procedure for end-to-end handling and deposit.
- 4) **Arrangement of concierge services** as the trip approaches, including beach club or dining reservations, curated shopping, exclusive dining, and sightseeing recommendations.
- 5) **Finalization of payment and reconfirmation** of all details one month prior to the event. At this time, our team prepares a detailed working schedule with instructions for all on-ground logistics and support for a seamless experience.
- 6) **Post Event follow-up** for valuable client feedback, in pursuit of continuous enhancement of our services.
